

# You are fine the way you are

Image for weekly letter 2026, no 7

Explanation image:

*Quote:*

*Perhaps you recognise that tendency to compare yourself? Hopefully, you also know the people who want to be "like Hare" for you for a while? Who do not want to solve or improve anything, but sit beside you and remind you of who you are?*

*Explanation:*

This image is based on the title of the weekly letter and also because it is the first Sunday of the month.

Warm greetings on behalf of the image group,

Narda van der Veen
