

30 km per hour. Nice, huh?

Image for the weekly letter for Sunday, June 7th, 2026, no. 18

Quote

“And I thought: don’t we actually do something similar on Sunday mornings during the service? In the rat race that life can sometimes seem, with our heads full of thoughts, we consciously search for a moment to drive at ‘30 km per hour’ for a while. Leaving the freeway to slow down for a while.”
