

Providing a foundation for something meaningful

Image for the weekly letter for Sunday, June 21th, 2026, no. 20

Explanation of the choice:

The ritual of lighting a candle is a source of support for many, so the candle of hope is very important.

Quote

“What is currently going on in your life for which you would like to have a ritual? What would such a ritual look like? And is there anything in the community at the moment that calls for attention, symbolism and a moment of reflection right now? I hope these questions will spark beautiful and insightful conversations.”
