

Do you know me?

Image for the weekly letter for Sunday,
September 13th, 2026, no. 27

Quote

*"So we must climb the walls and cross the raging rivers.
And we must make a world of peace our common goal.
For we can make a difference.
We can build a bridge and open up the pathways to our soul.
One small step bringing us all a little bit closer.
One small step beginning today."*
