

For all people...

Image for the weekly letter for Sunday, Sept. 20th, 2026, no. 28

Quote

“That is why I want to continue to participate, knowing myself to be carried by the faith that we do this together. Not with the conviction that everything will turn out fine, but because this is the good and meaningful thing to do, regardless of the outcome.² In the belief that not a single loving gesture is lost.”
